Leaving

A tear slides down my face,
I guess I always knew the
Time would come; but it came
Far too soon.

Remember, when we were kids?
We couldn't wait to leave this town.
All the talk about where we'd
Go and what we'd do once we got
there.

The time has flown by and now
The hour has come; I must leave,
but I feel that if I leave I
may never come back. But
Leave I must, I have planned so
Long and if not now, when?

Leaving is never easy whether
It's today or tomorrow.
