Confi Care 2*

Little Devils

Rachel Bayer or Rai's pet peeves include getting up for school, people who wear their pants like they're painted on, and fakes. She likes to be where her friends are. She'll be remembered for always being in a good mood and making everyone smile. Rachel's favorite foods are steak and lasagna. She plans to further her education and some day own her own business.

Sue Anne Beckwith, otherwise known as Mouse or Sue Annie, likes to spend time with Mike or just kids. She doesn't like people who think they're better than she is or people who think drinking and taking drugs are cool. Hamburgers and fries are her favorite foods. She enjoys being in the art room or with friends. In the future, her plans are to get married and have two children.

Stacy Boise, known as Ethey, Bean or Stacia, is known for harassing the BALD EAGLE, and for getting her hand stuck in Mr. Bryden's jelly bean jar. She hated being in Cooperstown hospital for 39 days and doesn't enjoy going through automatic car washes. Stacy likes to play basketball and soccer, and loves to eat Chicken McNuggets, Spaghetti O's, and Flintstone's vitamins. She wants to be a cosmetologist.
